* Nature-Throid and [Westroid](#) are identical formulations. Westroid products are marketed as Nature-Throid.

- Nature-Throid and WP Thyroid tablets are indicated as replacement of supplemental therapy in patients with hypothyroidism of any etiology, except transient hypothyroidism during the recovery phase of subacute thyroiditis; as pituitary thyroid stimulating hormone (TSH) suppressants, in the treatment or prevention of various types of euthyroid goiters, including thyroid nodules, subacute, or chronic lymphocytic thyroiditis (Hashimoto's), multinodular goiter, and in the management of thyroid cancer; and as diagnostic agents in suppression tests to differentiate suspected mild hyperthyroidism or thyroid gland anatomy.
- Per RLC Labs, the risks posed by potentially sub-potent products are that patients' symptoms may be uncontrolled. RLC Labs has not received any reports of adverse reactions related to the recalled lots.
- Patient currently taking Nature-Throid or WP Thyroid®, should not discontinue use without contacting their physician or health care provider for further guidance and/or a replacement prescription.
- Patients who have the recalled Nature-Throid or WP Thyroid tablets should contact their physician or health care provider if they have experienced any problems that may be related to using the recalled Nature-Throid or WP Thyroid tablets.

- Anyone with an existing inventory of the recalled product should stop distribution and quarantine the product immediately.
- Contact RLC Labs by phone at **1-877-797-7997** or by email at **recall@rlclabs.com** for further information regarding this recall.
