

Kareway Products – Recall of Gericare[®] Eye Wash

- On February 1, 2018, the [FDA announced](#) a consumer-level recall of [Gericare Eye Wash](#) due to potential microbial contamination which compromises sterility.
- The recalled product was distributed nationwide to wholesale businesses.

Product Description	NDC #	Lot # (Expiration Date)
Gericare Eye Wash, Sterile Eye Irrigation Solution, 4 oz. (118 mL) bottle	57896-186-04	86041601 (9/2019)

- Gericare Eye Wash is used to help relieve irritation, stinging, discomfort, and itching by removing loose foreign material, air pollutants or chlorinated water.
- Per Kareway Products, the recalled Gericare Eye Wash could potentially be calamitous for any population due to a probability of a potentially sight threatening eye infection or impairment. To date, Kareway Products has not received any reports of adverse events related to this recall.
- Kareway Products is notifying its distributors and customers by recall letter and is arranging for return or disposal of all recalled products. Consumers and businesses that have recalled product should stop using and selling them immediately.
- Consumers should contact their physician or healthcare provider if they have experienced any problems that may be related to taking or using this drug product.
- Contact Kareway Products at **1-310-532-0009** for any questions regarding this recall or by email at recall@kareway.com.
