

Vi-Jon – Recall of CVS magnesium citrate saline laxative oral solution

- On June 22, 2022, [Vi-Jon announced](#) a voluntary consumer-level recall of one lot of [CVS Magnesium Citrate Saline Laxative](#) oral solution because it may contain the bacteria, *Gluconacetobacter liquefaciens*.
- The following product is being recalled:

Product Description	Lot# (Expiration Date)
CVS Magnesium Citrate Saline Laxative Oral Solution Lemon Flavor, 10 fl. Oz. (296 mL) bottle	0556808 (12/2023)

- Magnesium citrate saline laxative is used for relief of occasional constipation.
- Immunocompromised patients, who consume this product, may be at increased risk for invasive infections caused by *Gluconacetobacter liquefaciens* that could lead to serious, life threatening adverse health consequences.
- To date, Vi-Jon, LLC has not received any complaints related to this recall.
- Anyone with an existing inventory of the recalled product should stop use, distribution and quarantine the product immediately.
- Patients should contact their physician or health care provider if they have experienced any problems that may be related to taking or using recalled magnesium citrate saline laxative.
- Contact Vi-Jon by email at recalls@vijon.com for more information about the recall.
