Medication Information (required)

Medication Name:	Strength:	Dosage Form:
<input type="checkbox"/> Check if requesting brand	Directions for Use:	
<input type="checkbox"/> Check if request is for continuation of therapy		

Clinical Information (required)

Select the diagnosis below:

Severe asthma

Other diagnosis: _____ ICD-10 Code(s): _____

Clinical Information:

Does the patient have asthma of eosinophilic phenotype? Yes No

Document the patient's baseline blood eosinophil level: _____ cells per microliter

Has the patient had one or more asthma exacerbations requiring systemic corticosteroids within the past 12 months? Yes No

Has the patient had any prior intubation for an asthma exacerbation? Yes No

Has the patient had a prior asthma-related hospitalization within the past 12 months? Yes No

Select if the patient is currently being treated with the following unless there is a contraindication or intolerance to these medications:

- High-dose inhaled corticosteroid (ICS) [e.g., greater than 500 mcg fluticasone propionate equivalent/day]
- Additional asthma controller medication [e.g., leukotriene receptor antagonist, long-acting beta-2 agonist (LABA), theophylline]
- Maximally-dosed combination ICS/LABA product [e.g., Advair (fluticasone propionate/salmeterol), Dulera (mometasone/formoterol), Symbicort (budesonide/formoterol)]

Is Fasentra prescribed by or in consultation with a pulmonologist or allergy/immunology specialist? Yes No

Reauthorization:

Is there documentation the patient has had a positive clinical response (e.g., reduction in exacerbations)? Yes No

Select if the patient is currently being treated with the following therapies or if there is a contraindication or intolerance to these medications:

- Inhaled corticosteroid (ICS)
- Additional asthma controller medication [e.g., leukotriene receptor antagonist, long-acting beta-2 agonist (LABA), theophylline]
- A combination ICS/LABA product [e.g., Advair (fluticasone propionate/salmeterol), Dulera (mometasone/formoterol), Symbicort (budesonide/formoterol)]

Is Fasentra prescribed by or in consultation with a pulmonologist or allergy/immunology specialist? Yes No

Are there any other comments, diagnoses, symptoms, medications tried or failed, and/or any other information the physician feels is important to this review?

Please note: This request may be denied unless all required information is received.
 If the patient is not able to meet the above standard prior authorization requirements, please call 1-800-711-4555.
 For urgent or expedited requests please call 1-800-711-4555.
 This form may be used for non-urgent requests and faxed to 1-800-527-0531.
