Medication Name:		Strength:	Dosage Form:
<input type="checkbox"/> Check if requesting brand		Directions for Use:	
<input type="checkbox"/> Check if request is for continuation of therapy			

Clinical Information <small>(required)</small>	
Select the diagnosis below:	
<input type="checkbox"/> Short-term treatment of insomnia	
<input type="checkbox"/> Other diagnosis: _____ ICD-10 Code(s): _____	

The approval criteria is based on the guidance provided by the Centers for Medicare & Medicaid Services (CMS), the Pharmacy Quality Alliance, the American Geriatric Society and the National Committee for Quality Assurance (NCQA). "Use of High Risk Medications in the Elderly" is measure 238 of the Centers for Medicare & Medicaid Services Physician Quality Reporting System.

Coverage of the drug is approved after demonstrated failure to the alternatives below or we receive information as to why they would be inappropriate.

Select the medications the patient has a failure, contraindication, or intolerance to:

- Belsomra
- Estazolam
- Rozerem
- Temazepam
- Trazodone

For Brand Halcion requests, also answer the following:

Has the patient had a history of failure, contraindication, or intolerance to triazolam? Yes No

Quantity limit requests:

What is the quantity requested per DAY? _____

What is the reason for exceeding the plan limitations?

- Titration or loading-dose purposes
- Patient is on a dose-alternating schedule (e.g., one tablet in the morning and two tablets at night, one to two tablets at bedtime)
- Requested strength/dose is not commercially available
- There is a medically necessary justification why the patient cannot use a higher commercially available strength to achieve the same dosage and remain within the same dosing frequency. **Please specify:** _____
- Other: _____

Are there any other comments, diagnoses, symptoms, medications tried or failed, and/or any other information the physician feels is important to this review?

Please note: This request may be denied unless all required information is received.
 If the patient is not able to meet the above standard prior authorization requirements, please call 1-800-711-4555.
 For urgent or expedited requests please call 1-800-711-4555.
 This form may be used for non-urgent requests and faxed to 1-800-527-0531.
